Article 13 Termination or Dissolution

13.1 The Institution may terminate the Agreement if sufficient funds are not provided or allotted in future government-approved budgets of the Institution (or reasonably available or expected to become available from other sources at the time the Institution's payment obligation attaches) to permit the Institution, in the exercise of its reasonable administrative discretion, to continue the Licence Agreement.

13.2 Premature termination of the Licence Agreement by either Party shall be possible – with immediate effect, without judicial intervention, and without any obligation to pay damages – in the following circumstances:
