 - 4.1.10 use any automated retrieval devices (such as web robots, wanderers, crawlers, spiders or similar devices) save that this is not intended to prevent Licensee from using a federated search engine or discoverability service as part of its library information services; nor
 - 4.1.11 otherwise download, store, reproduce, transmit, display, print, copy, distribute, extract, exploit or use the Products.
- 4.2 The Licensee is not permitted to supply the whole or part of any Product to another institution or library without the Licensor's prior written consent, except to the extent expressly permitted by applicable law.
- 4.3 Licensor reserves the right to withdraw access to the Products in the event of a download rate in excess of the limit in clause 4.1.9 of this Section. The withdrawal of access in such circumstances is generated by an automatic abuse detection process. Upon activation of the process, e-mails including details of the actual download rate detected will be sent to Licensor's administrator, following which Licensor may contact Licensee's administrator to request an investigation. Licensor shall only restore access once the issue has been resolved to its satisfaction.
- 4.4 Where Licensor is no longer able to provide Online Access on a permanent basis, it shall:
 - 4.4.1 provide a copy of the Purchased Products in pdf format (or such other electronic format as Licensor in its sole discretion determines) and Licensee procures that each Consortium Member agrees and acknowledges that the use of any such electronic copy shall always be subject to the terms of this Agreement.
 - 4.4.2 make reasonable efforts to ensure continued access through Portico, CLOCKSS, or a similar third party archive.

5 LICENSEE'S RESPONSIBILITIES

- 5.1 Licensee shall provide Licensor on request with all identifying information, including IP address ranges, relating to Licensee and its Secure Network necessary to enable Licensor to set up and activate Online Access. Online Access is conditional upon Licensee supplying this information to Licensor, and to Licensee promptly notifying Licensor of any changes to this information.
- 5.2 Licensee warrants and represents that the range of IP addresses provided further to clause 5.1 of this Section are only assigned to devices within its Secure Network.
- 5.3 Licensee shall:
 - 5.3.1 ensure Online Access is only granted to Authorised Users via the Secure Network and that access granted to such users ceases on them ceasing to be an Authorised User;
 - 5.3.2 take all reasonable measures to monitor the use of the Products and shall make Authorised Users aware of the Terms of Use;
 - 5.3.3 ensure that all Authorised Users treat all logins, passwords or other Authorised User identification required for Online Access as confidential and do not disclose them to any other person;
 - 5.3.4 ensure that all Authorised Users only use the Products in compliance with the terms of this Agreement; and
 - 5.3.5 promptly notify Licensor on becoming aware of any unauthorised possession or use or other breach of this Agreement and take appropriate action (including disciplinary action) to ensure that such activity ceases and to prevent any recurrence.
- 5.4 Licensee is responsible for obtaining at its own cost all internet connections, equipment and software necessary to access the Products via the Secure Network. Furthermore, whilst Licensor will use commercially reasonable endeavours to guard against viruses, it does not guarantee or warrant that any Products or Online Access will be free from infections, viruses and/or other code that has contaminating or destructive properties and Licensee is responsible for implementing sufficient procedures and virus checks to satisfy its requirements for the security of data input and output.

6 LICENSOR'S RESPONSIBILITIES

- 6.1 Following activation of Licensee's account Licensor shall, subject to payment of the Fees, use commercially reasonable endeavours to:
 - 6.1.1 provide Licensee with Online Access; and
 - 6.1.2 ensure that the Server has sufficient capacity and rate of connectivity to provide Licensee with a level of service which is commensurate with the current standards in the online information industry sector.

- 6.2 Licensor may temporarily suspend Licensee's Online Access for the purposes of maintenance or upgrades but shall use its commercially reasonable endeavours to notify Licensee of such activities and to minimise the period of suspension or interruption.
- 6.3 In relation to any Product made available via Online Access, Licensor reserves the right at any time on notice to Licensee to:
- 6.3.1 make changes or corrections and to alter, update or upgrade any aspect of the Product;
 - 6.3.2 vary the technical specification of the Product or of any software included therein; and
 - 6.3.3 withdraw the Product (or any part of a Product) where it has decided to cease publication of that Product.
- 6.4 Where Licensor withdraws a Product or a part of a Product in accordance with clause 6.3.3 of this Section, if Licensee purchased the withdrawn Product on a perpetual access basis, a copy of the withdrawn Product shall be provided to Licensee in pdf format (or such other electronic format as Licensor in its sole discretion determines), otherwise Licensor may in its sole discretion either offer broadly equivalent replacement materials or a credit in respect of the unexpired portion of the Subscription Fees in relation to the withdrawn Product (or part of a Product). The provision of a pdf copy, replacement or credit (as applicable) shall discharge Licensor's liabilities to Licensee in respect of the withdrawn Product (or part of a Product).
- 6.5 For such period as Licensee is entitled to Online Access, Licensor agrees to provide Licensee with access to usage data and, where available, usage reports detailing the level of use of any Subscription Products by Licensee's Authorised Users per month. Any reports made available shall be COUNTER compliant (or compliant with an equivalent industry standard), and such reports and data will not identify individual Authorised User usage, but will be provided in respect of the IP address ranges given by Licensee further to clause 5.1 of this Section. Licensor will not be able to provide accurate usage data and/or reports if Licensee stores any of the Subscription Products on any cache or proxy server, which is discouraged in any event due to the dynamic nature of the Subscription Products.
- 6.6 Licensor shall provide customer support services to the Contact Person of the Institution by e-mail or over the phone. This includes answering e-mail queries about the use, functionality and content of the Licensed Material within 48 hours.
- 6.7 Licensor shall provide the Institution with support to enable End-Users to make optimum use of the Licensed Material.

7 INTELLECTUAL PROPERTY RIGHTS

- 7.1 Products, usage data and usage reports are protected by international copyright laws, database rights and other intellectual property rights. Licensor, its affiliates and licensors are the owners of these rights, and this Agreement does not transfer any right, title or interest in the Products to Licensee.
- 7.2 Licensor warrants that use of the Products in accordance with these terms does not infringe the intellectual property rights of any third party.

8 LIMITATION OF LIABILITY

- 8.1 Whilst Licensor shall use commercially reasonable endeavours to provide Online Access, it cannot guarantee that Online Access will operate continually or without interruption, and neither does Licensor guarantee the accuracy of any information and/or content contained in the Products, which are provided on a strictly 'as is' basis. Licensor has no liability for any loss or damage whatsoever sustained by Licensee or any Authorised User as a result of the availability or use of or reliance on the content in the Products.
- 8.2 Save as expressly provided otherwise in this Agreement, Licensor, to the fullest extent permitted by law, excludes all express or implied terms, conditions, warranties and/or representations with regard to the Products including, without limitation, any warranties relating to quality or fitness for purpose.
- 8.3 Licensor shall not be liable for any indirect or consequential loss or damage or for any loss of or corruption of data, loss of programs, profit, anticipated savings, revenue or goodwill (whether direct or indirect) arising out of or in connection with the access, availability, use of or reliance on the Products.
- 8.4 Licensee agrees that the entire liability of Licensor to Licensee and any Authorised User for any claim (whether in contract, tort, misrepresentation, breach of statutory duty or otherwise) arising out of or in connection with the access, availability, use of, or reliance on a Product shall be limited to the Fees paid for that Product in the year in which the liability arose in relation to that Product.
- 8.5 Nothing in this Agreement shall limit or exclude Licensor's liability for death or personal injury resulting from Licensor's negligence or its fraudulent misrepresentation or any other liability which cannot be limited or excluded under applicable law.

9 FEES

- 9.1 The Fees are net of all applicable taxes, including without limitation VAT or other applicable sales taxes, which shall be charged in accordance with the relevant regulations in force at the time of making the taxable supply, and such amounts shall be payable by Licensee in addition to the Fees on receipt of a valid tax invoice.
- 9.2 Licensee shall pay the Fees in full without deduction or withholding in respect of any tax unless required by law. If any such deduction or withholding is required, Licensee shall, when making the payment to which the withholding or deduction relates, pay to Licensor such additional amount as will ensure that Licensor receives the same total amount that it would have received if no such withholding or deduction had been required.
- 9.3 Licensee shall pay the Fees within 30 days of the date of invoice unless different payment provisions are set out in the invoice. Without prejudice to any other right or remedy that Licensor may have, where Licensee fails to pay the Fees and any VAT or other applicable sales tax on the due date, Licensor shall be entitled to:
- 9.3.1 charge interest at a rate of 4% per annum above the base lending rate of Barclays Bank plc, accruing on a daily basis until the date of actual payment; and
 - 9.3.2 delay the activation of or suspend access to the Products previously granted until full payment is made of any Fees, and Licensee agrees that the Subscription Period shall not be extended by any period of delay or suspension resulting from late payment.

10 TERM AND TERMINATION

- 10.1 The Subscription Period may be renewed by mutual consent for additional periods upon payment of the agreed Subscription Fees.
- 10.2 Either party may terminate this Agreement (and Licensor may terminate this Agreement in part) immediately by serving written notice on the other in the event that the other party commits a material breach of this Agreement, and in the case of a breach capable of remedy fails to remedy the same within 30 days of a written request to do so. Licensee or an Authorised User's breach of clauses 4 or 5 of this Section shall be deemed a material breach.
- 10.3 Upon termination of this Agreement by the Licensor under clause 10.2 of this Section:
- 10.3.1 Licensee's and Authorised Users' rights to access and use the Products shall immediately terminate and Online Access shall cease;

- 10.3.2 Licensee shall immediately cease using any passwords or other Authorised User identification to access the Products;
 - 10.3.3 Licensee shall ensure that all Authorised Users shall do likewise; and
 - 10.3.4 Licensor shall not be required to refund any Fees. Any copies of Product information and/ or content shall be deleted from Licensee's records and storage media.
- 10.4 On termination of this Agreement by the Licensee under clause 10.2 of this Section, Online Access to the Products shall continue for the applicable Subscription Period or on a perpetual access basis, as appropriate, unless Licensor is unable to provide such access, in which case the relevant provisions in clause 2.1 of this Section shall apply.

11 DATA PROTECTION

- 11.1 Licensor shall be entitled to:
- 11.1.1 hold and process the Licensee's personal data as defined in applicable privacy and data protection legislation;
 - 11.1.2 make such information available to: (i) business partners, sub-contractors and/or suppliers who provide products or services to Licensor; (ii) our branches; either of whom may be outside of the European Economic Area;
 - 11.1.3 for legal and administrative purposes and in order to fulfil its obligations under this Agreement. This clause shall survive termination of this Agreement.

12 ANTI-BRIBERY AND CORRUPTION

- 12.1 Licensee understands that Licensor acts in accordance with the UK Bribery Act 2010, Criminal Finances Act 2017 and other applicable anti-bribery and tax evasion laws in the jurisdictions in which it operates. The Licensee (and its related officers and employees) warrants that it shall not engage in any activity, practice or conduct in relation to its performance under this Agreement which would constitute an offence under any applicable law or regulation relating to anti-bribery, corruption or tax evasion. The Licensee agrees to promptly notify Licensor of any suspected or known breach of this clause.

13 CONFIDENTIALITY

- 13.1 In the course of negotiating the terms of this Agreement, Licensor shall from time to time disclose to Licensee information that is proprietary or confidential to Licensor. Licensee agrees not to disclose information it receives in pre-contractual negotiations in a way that could be prejudicial to Licensor, except as may be required by law, a court of competent jurisdiction or any governmental or regulatory authority. This clause shall survive the termination of this Agreement.

14 GENERAL

- 14.1 Licensee may not assign, transfer or sub-license its rights or obligations under this Agreement.
- 14.2 In no circumstances shall Licensor be liable to Licensee or any Authorised User for any delay or failure to perform its obligations due to an event beyond its reasonable control, including but not limited to loss or failure of third party controlled IT equipment and internet connections.
- 14.3 This Agreement constitutes the entire agreement between the parties and supersedes any previous agreement between the parties relating to its subject-matter. Each party acknowledges and agrees that, in entering into this Agreement, it does not rely on, and shall have no remedy in respect of, any statement, representation, warranty or understanding (whether negligently or innocently made) other than as expressly set out in this Agreement.
- 14.4 This Agreement may not be amended, varied or supplemented except in writing signed by duly authorised representatives of both parties.
- 14.5 If any provision of this Agreement (or any part of any provision) is found by a court to be unenforceable that provision or part provision shall, to the extent required, be deemed not to form part of this Agreement and the validity and enforceability of the other provisions of this Agreement shall not be affected.
- 14.6 No provision of this Agreement is intended to be enforceable by a person who is not a party to this Agreement.
- 14.7 Any notice given to a party under or in connection with this Agreement shall be in writing and shall be delivered by hand or by pre-paid first-class post or other next business day delivery service at its registered office (if a company) or its principal place of business (in any other case) or sent by e-mail, if to Cambridge at generalcounsel@cambridge.org, and if to the Licensee, at the e-mail address in Section I. Any notice shall be deemed to have been duly received: if delivered by hand, on signature of a delivery receipt or at the time the notice is left at the proper address; if sent by pre-paid first-class post or other next business day delivery service, at 9.00 am on the second business day after posting or at the time recorded by the delivery service; if sent by e-mail, at 9.00 am on the next business day after transmission. This clause does not apply to the service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution.
- 14.8 The rights of the parties arising under this Agreement shall not be waived except in writing. Any waiver of any of a party's rights under this Agreement or of any breach of this Agreement by the other party shall not be construed as a waiver of any other rights or of any other further breach.

- 2.2.2 provide details of their affiliation with Licensee, when submitting their Article for publication; and
- 2.2.3 sign a licence to publish form or equivalent documentation, as required by the Cambridge OA Journal publishing the Article, selecting a Creative Commons Licence in the process.
- 2.3 The OA publishing opportunities the Agreement offers are only available for Articles which have an acceptance date during the Term of this Agreement.
- 2.4 Articles published non-OA in Cambridge OA Journals during the Term of this Agreement will be eligible for retroactive conversion to OA provided:
- 2.4.1 the Article was published during the Term of this Agreement; and
- 2.4.2 the request to convert to OA is made no more than three months after the Year in which the Article was published (for example, an article published in December non-OA will need to be made retroactively OA by 31 March of the following year. Only the Corresponding Author can request their Article be made OA and this must be done through Payment Processing Software, or correspondence directly with the Licensor).
- 2.5 If a Cambridge OA Journal is transferred to another publisher during the term of this Agreement:
- 2.5.1 Articles which were accepted for publication will still be published in the Cambridge OA Journal, provided there is space to do so in a journal volume published before the transfer;
- 2.5.2 All retroactive OA requests must be complete prior to the date of content file transfer to the new OA journal publisher.
- 2.6 Retroactive publishing will remain available until Licensor considers that this service is no longer necessary.

3 LICENSOR'S RESPONSIBILITIES

3.1 Licensor shall:

- 3.1.1 verify the identity of Corresponding Authors after the acceptance of Article manuscripts, via affiliation, email domain, or ORCID.
- 3.1.2 provide Licensee with a list of the Cambridge OA Journals;
- 3.1.3 provide reports to Licensee detailing Licensee's publishing output, including the following information: name of Corresponding Author, institutional identifier, article title, DOI, journal title, OA licence applied, Creative Commons Licence (if applicable), date first published online; and
- 3.1.4 host information relating to the OA publishing opportunities it offers on Cambridge Core.
- 3.1.5 provide Consortium Members with a list of the Cambridge OA Journals on an annual basis.
- 3.1.6 provide reports to the Consortium and SURF detailing their respective publishing outputs, including the following information: name of Corresponding Author, university, article title, DOI, journal title, eISSN, print ISSN, OA licence applied, date first published online and Journal APC.
- 3.1.7 facilitate retroactive OA publishing, as described in clauses 2.4 and 2.5 of this Section.

4 LICENSEE RESPONSIBILITIES

4.1 4.1 Licensee shall inform its researchers and authors about the Licensor's OA publishing process.

5 EXCEPTIONS AND EXCLUSIONS

- 5.1 Some of Licensor's journals currently do not permit OA publishing. As such, OA publishing will initially not be available in those journals. These journals will become eligible for OA publishing on an annual basis or earlier during the course of the year if possible, if and when OA options are introduced by the journal's proprietors.
- 5.2 Although Licensor endeavours to include all Cambridge OA Journals in this agreement, it reserves the right to exclude a journal. Licensor will inform SURF of such changes on an annual basis.

6 FEES

6.1 6.1 The Subscription Fee is split into two parts to correctly describe the products and services being delivered:

- 6.1.1 6.1.1 A '**Read**' fee, for the supply of the Subscription Products; and
- 6.1.2 6.1.2 A '**Publish**' fee, for the provision of the OA Publishing Services

6.2 The split of the Subscription Fee is as follows:

UKB Members	
Year	Subscription Fee Split (Read / Publish)
2024	Fees will be broken down in the invoice to SURF.
2025	Fees will be broken down in the invoice to SURF.
2026	Fees will be broken down in the invoice to SURF.

KNAW Members	
Year	Subscription Fee Split (Read / Publish)
2024	Fees will be broken down in the invoice to SURF.
2025	Fees will be broken down in the invoice to SURF.
2026	Fees will be broken down in the invoice to SURF.

Naturalis	
Year	Subscription Fee Split (Read / Publish)
2024	Fees will be broken down in the invoice to SURF.
2025	Fees will be broken down in the invoice to SURF.
2026	Fees will be broken down in the invoice to SURF.

6.3 The Licence Fee is paid as a single fee for the Rights of Use including the Rights to Publish granted to an Institution under the Licence Agreement.

7 OTHER

7.1 If at the end of a Year the Licensee has not used its allowance of OA Article Publishing (as set out in clause 2.1 of this Section), Licensee will be able to roll over the unused allowance to the following Year, unless:

- 7.1.1 the Agreement has ended; or
- 7.1.2 the capped Transformative Agreement sales model no longer applies.

7.2 Corresponding Authors publishing OA Articles in Cambridge OA Journals will typically retain the copyright, granting Cambridge (or its journal proprietors) a licence to publish. Where Corresponding Authors do need to assign the copyright in their Article in order to publish in a particular journal, Cambridge will communicate this in an open and transparent way. Cambridge is actively working towards (a) increasing the proportion of journals that use a licence to publish rather than a copyright transfer and (b) a default cc-by workflow, and will continue to support these objectives by appropriate messaging.

7.3 If, at the end of the Term, a renewal agreement has not been finalized, the Licensor agrees to continue the open access publishing workflow for Eligible Articles for a grace period of three months. If, at the end of the grace period a new agreement has not been reached, SURF will be invoiced

for published open access articles at a rate equal to numbers of articles x prevailing Article Publishing Charge. SURF will invoice the appropriate institutions then for their amount of published open access articles.

8 CONTRACT MANAGEMENT

- 8.1 SURF and Licensor shall evaluate the Licensor's execution of the performance under the Agreement at least twice each year. SURF is authorised to represent the Institutions in this regard and to act on their behalf. The Institutions are entitled to take part in this evaluation.
- 8.2 For contract management at least the following shall be evaluated: the degree to which Licensor executes the performance as laid down in the Agreement and the Licence Agreements, the reports handed over (e.g. on Open Access), the invoicing and payment, possible improvements in the performance (changes, additions etc.) and the innovation opportunities. In the meeting, the general findings of all Parties about the quality of the provision of services shall be discussed, as shall the escalations and potential problems. In this context, possible measures for improvement shall also be discussed.
- 8.3 Licensor shall deliver a full report of all articles (Open Access and otherwise) published by the Institutions over the period 1 January until 30 June and 1 July until 31 December. The report gives an overview of the name of the Submitting Author; Institution; article title; DOI; clickable DOI; journal title; OA licence applied; date first published online; journal APC. The report shall be delivered within 4 weeks after the end of the 6 month periods. However, in the Licensor OA workflow, this information is included in OA report that is delivered to the Licensee on a monthly basis.
- 8.4 When setting up the workflow for Open Access, Licensor will consult with dedicated library staff. Parties shall agree to and evaluate relevant workflows and tools with regard to Open Access publishing regularly.
- 8.5 SURF shall have complimentary access to the Licensed Material for the purpose of providing information to the Institutions.

SECTION IV SPECIAL TERMS AND CONDITIONS**1 ORDER OF PRECEDENCE**

- 1.1 The provisions of this Section are agreed in addition to the Licensor's standard terms and conditions. In the event of any conflict between this Section and any other Section in the Agreement, the terms of this Section take precedence.

2 ALUMNI ACCESS

- 2.1 Licensor will grant Licensee's registered alumni ("**Alumni**") access to the Products, provided such Alumni are authenticated via the Secure Network, separate secure Alumni portal or other dedicated URL.

3 FINANCIAL HARDSHIP

- 3.1 "**Financial Hardship**" means substantial cuts during the Subscription Period to Licensee's budget for the type of products Licensor supplies.
- 3.2 Consortium Members may terminate their agreement if sufficient funds are not provided or allotted in the library budget for the products by the appropriate body in the member's institution. The Vice Chancellor of the member's institution shall provide a written statement to the Licensor in which the Vice Chancellor confirms the significantly decreased budget allocation to the Consortium Member. Notice of such a decision must reach the Licensor by 1 November at the latest for implementation at the commencement of the next calendar year. In this case a member institution's consortium participant fee will be deducted from the invoice. Once the cumulative value of opted-out institution(s) represents more than 20% of the annual license value, the Licensor reserves the right to renegotiate the terms of the agreement. If in 2025, the cumulative value year used would be the 2024 license value.

SECTION V PRODUCT LIST

This Section lists all the Products covered by this Agreement for the UKB and KNAW Members 2024. For 2025 and 2026 an updated product list will be sent to SURF in excel format.
