## Article 9 Long Term Preservation and Continuous Access

- 9.1 Long term preservation:  
 Publisher guarantees to archive the Licensed Material in at least one of the established e-journal archiving initiatives such as Portico, LOCKSS or CLOCKSS.
- 9.2 Continuous access in case of 'trigger events':  
 Publisher guarantees continuous access to and use of the Licensed Material which was published and paid for during the term of the current and possible preceding Agreements through one of the established e-journal archiving initiatives if one or more of the following events ('trigger events') occur:
- a catastrophic and sustained failure of the Publisher's delivery platform or
  - the Publisher stops operations, or
  - the Publisher ceases to publish a title, or
  - the Publisher no longer offers back issues.
- 9.3 Continuous access in case of termination of the Licence Agreement:  
 In the case of termination of the Licence Agreement, except when such termination is due to a breach of the Licence Agreement by Institution, Publisher will provide the Institution and its End-Users with continuous access to and use of the Licensed Material which was published and paid for during the term of this and possible preceding Licence Agreements, without charge, either by one or more of the following options:
1. continued online access to archival copies of the same Licensed Material on the Publishers' server;
  2. granting access to one of the aforementioned accepted e-journal archiving solutions;
  3. supplying archival copies of the same Licensed Material to an archiving facility shared by more Institutions;
  4. supplying archival copies of the same Licensed Material to an Institution to be uploaded to the protected network of the Institution.

## Article 10 Privacy

- 10.1 Publisher is required to process the Personal Data in accordance with the provisions of the General Data Protection Regulation (GDPR).
- 10.2 Publisher shall only process the Personal Data at the behest of and in accordance with the instructions of the Institution. Publisher is not allowed to use the Personal Data for its own purposes.
- 10.3 Unless statutory provisions provide otherwise, Publisher is not entitled, at any time, to utilize some or all of the Personal Data that is made available to the Publisher other than for performance of this Licence Agreement, or to cause it to be so utilized.
- 10.4 Publisher shall not allow third parties of access to the Personal Data without the prior consent of the Institution.
- 10.5 Publisher shall process the Personal Data only within the European Economic Area or in a country with an appropriate level of protection as indicated by the GDPR.
- 10.6 Publisher shall cooperate fully with the Institution to (i) enable data subjects as defined in the GDPR to inspect their Personal Data; (ii) to enable such parties to have their Personal Data deleted or corrected; and/or (iii) to demonstrate to such parties that their Personal Data has been deleted or corrected if it is incorrect or, if the Institution disputes the position adopted by

the party concerned, to record that the party concerned considers his/her Personal Data to be incorrect.

#### **Article 11 Security**

- 11.1 Publisher shall take appropriate technical and organisational security measures in order to protect the Personal Data from any data breach as defined in the GDPR, inter alia from being lost and from any type of unlawful processing. Taking account of the state of technology and the cost of implementing them, these measures shall provide an appropriate level of security in view of the risks associated with such processing and the nature of the data being protected.
- 11.2 Publisher shall immediately notify the Institution regarding any security-related incidents and their potential impact on the processing of Personal Data.
- 11.3 Publisher shall only engage subcontractors with which it has concluded a written Agreement comprising secrecy and security obligations in accordance with the obligations of the Licence Agreement.
- 11.4 If an authority requests Publisher to provide Personal Data, Publisher shall notify the Institution to that effect and shall enable the Institution to assert its rights. Publisher shall limit access of the authority to the extent possible.

#### **Article 12 Liability**

- 12.1 The Publisher shall indemnify the Institution (for itself and for the benefit of any End-Users) against all liabilities, costs, expenses, damages and losses suffered or incurred by the Institution or End-Users arising out of or in connection with any claim by or action brought by any third party that the access and Rights Of Use regarding the Licenced Material by the Institution or by any End-User in accordance with this Licence Agreement infringes the intellectual property rights of that third party.
- 12.2 Nothing in this Licence Agreement shall make the Institution liable for any breach of the Licence Agreement by any authorised End-User, provided that the Institution did not cause or knowingly assist or condone the continuation of the breach after becoming aware of an actual breach having occurred.
- 12.3 Neither the Institution nor the Publisher shall be liable to the other for:
  - any special, indirect, incidental, punitive or consequential damages; or
  - loss of direct or indirect profits, business, contracts, revenue or anticipated savings; or
  - any increased costs or expenses.
- 12.4 No party excludes or limits its liability under this Agreement for:
  - death or personal injury to the extent it results from its gross negligence and/or willful intent or that of its employees or agents in the course of their engagement; or
  - its own fraud or that of its employees or agents in the course of their engagement.
- 12.5 Each Party's total liability to the other Party under or in connection with this Licence Agreement is limited to the maximum amount of the paid annual Licence Fee, for the most recent licence year.

**Article 13 Termination or Dissolution**

13.1 The Institution may terminate the Agreement if sufficient funds are not provided or allotted in future government-approved budgets of the Institution (or reasonably available or expected to become available from other sources at the time the Institution's payment obligation attaches) to permit the Institution, in the exercise of its reasonable administrative discretion, to continue the Licence Agreement.

However, the Licence Agreement is concluded for a period of three (3) years and the number of APC tokens is based on these three (3) years, so therefore cancellation should not be an option.

13.2 Premature termination of the Licence Agreement by either Party shall be possible – with immediate effect, without judicial intervention, and without any obligation to pay damages – in the following circumstances:

- the other Party acts contrary to an obligation set forth in the Licence Agreement under the condition that a notification in writing of the breach has been arranged for, setting a reasonable term for compliance with the relevant obligation;
- submission of an application for a suspension of payments by either Party;
- insolvency of either Party.

13.3 Obligations which by their nature are intended to continue after the termination or dissolution of the Licence Agreement will continue after such dissolution.

**Article 14 Supplementary Provisions**

14.1 The Licence Agreement shall be governed by Dutch law.

14.2 Any dispute regarding the creation, interpretation, or implementation of the Licence Agreement, will be submitted to the competent court in Utrecht, The Netherlands, for adjudication.

14.3 A dispute shall be deemed to exist if one of the Parties notifies the other Party to that effect by registered mail.

14.4 The provisions and conditions contained in the Licence Agreement and the Schedules shall specify the entire Licence Agreement between the Parties and shall set aside all previous agreements, whether oral or written, made between the Parties.

14.5 Amendments to the Licence Agreement and/or to the Schedules and/or additions thereto shall only become legally effective and binding for the Parties when they have been agreed between the Parties in the form of a schedule to be attached to the Licence Agreement, either in writing or electronically.
